

WELCOME
TO

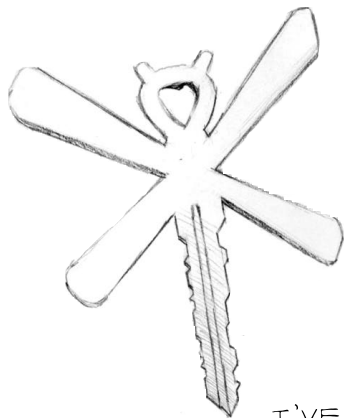

TERRATOPIA!

WELCOME TO TERRATOPIA!

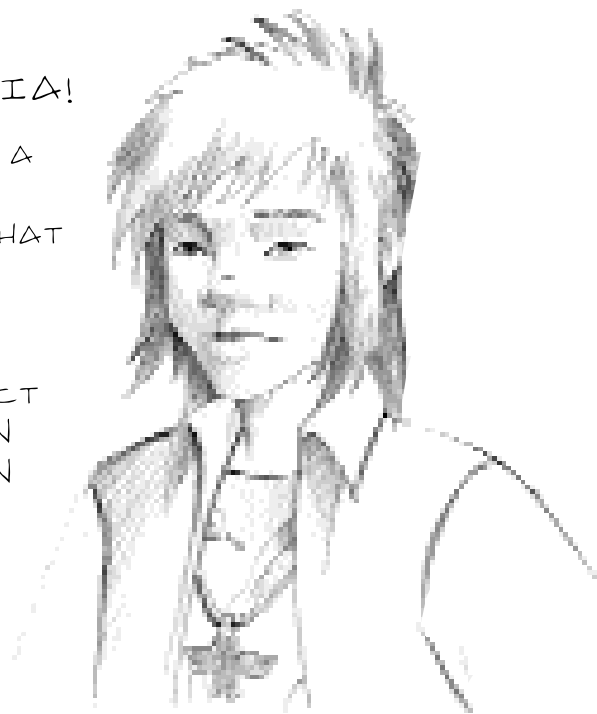

FROM EVERY GENERATION, ONLY A HANDFUL ARE CHOSEN TO COME FROM EARTH TO TERRATOPIA. THAT MEANS YOU MADE THE CUT AND ARE NOW A TERRATROOPER.

PROVE YOUR ABILITY TO PROTECT TERRATOPIA AND YOU CAN EARN THE RIGHT TO CHOOSE YOUR OWN ANIMAL TOTEM - JUST LIKE THE REST OF US!

THE KEY TO
TERRATOPIA

I'VE SPENT A LOT OF TIME DRAWING AND COLLECTING INFO FROM ALL OVER TERRATOPIA, SO THIS HANDBOOK IS A GREAT WAY TO HELP YOU LEARN ABOUT THE DIFFERENT PLACES HERE. CHECK IT OUT WHENEVER YOU NEED TO. GOOD LUCK AND HAVE FUN EXPLORING!

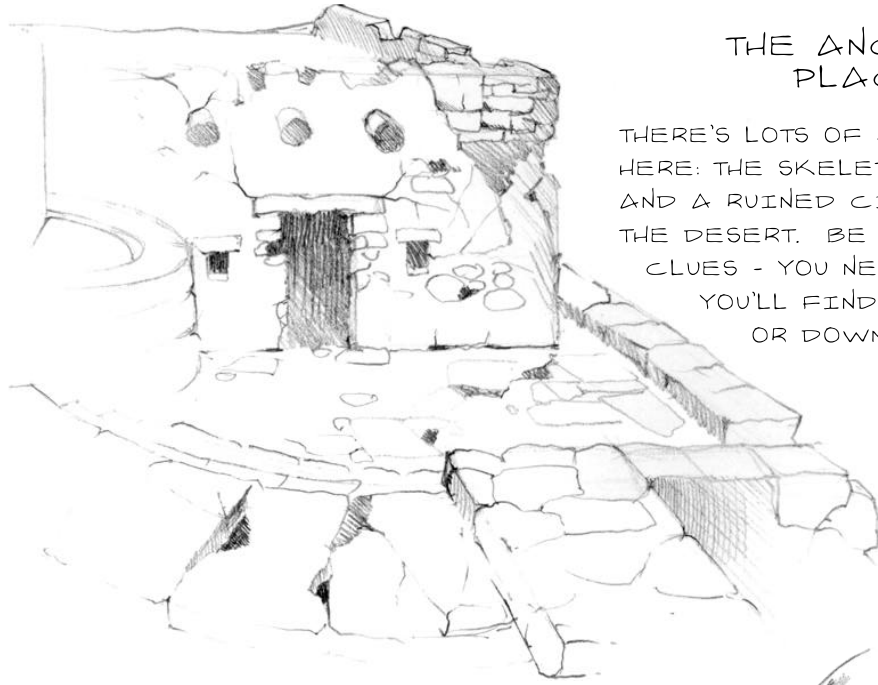

ME!

- SKETCH

THE ANCIENT PLACE

THERE'S LOTS OF REALLY OLD STUFF HERE: THE SKELETONS OF DINOSAURS AND A RUINED CITY LEFT BEHIND IN THE DESERT. BE ON THE LOOKOUT FOR CLUES - YOU NEVER KNOW WHAT YOU'LL FIND UP IN THE CLIFFS OR DOWN AMONG THE BONES.

THIS LOOKS KIND OF LIKE AN AZTEC CALENDAR BACK ON EARTH. IT WAS USED TO TRACK THE MOVEMENT OF THE THREE MOONS OF TERRATOPIA. IT MIGHT STILL WORK...

ARMADILLO-
(SPOTTED NEAR THE
ANCIENT PLACE)

FEASTS ON ANTS ALL DAY
WITH ITS 18 INCH TONGUE!

WILD FIG TREE -
400 FT ROOTS!

DINOSAUR BONES FOUND
IN THE ANCIENT
PLACE

TROODON
(TROH-OH-DON).

- HAS "BINOCULAR VISION" GREAT FOR HUNTING
- HAS TO TURN ENTIRE HEAD TO SEE (LIKE AN OWL)

TENONTOSAURUS

- HAS EYES ON SIDE OF HEAD TO WATCH OUT FOR PREDATORS.
- FLAT TEETH SUGGEST DIET OF VEGGIES RATHER THAN MEAT.

CHIEF SEQUOIA

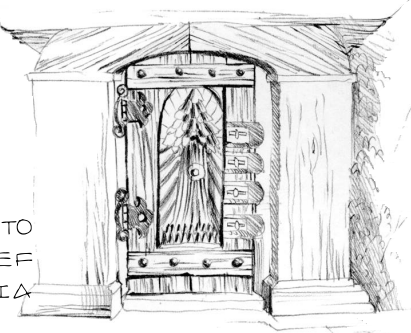

IN THE MIDDLE OF THE RED-
WOOD FOREST STANDS MIGHTY
CHIEF SEQUOIA. YOU

CAN EXPLORE THE FOR-
EST, BUT THE ONLY
WAY TO GET TO

THE CHIEF IS
THROUGH THE
DOOR IN THE
MAZE - AND YOU
NEED TO BE A
REAL WILD CAT
TO OUTSMART THE
MINOTAUR!

DOOR TO
CHIEF
SEQUOIA

THE OLDEST
SEQUOIA IS
3,000 YEARS OLD!

THE OLDEST LIVING THING - BRISTLECONE PINE -
4700 YEARS OLD!

TREES TAKE IN WATER AT THEIR ROOTS AND THE
WATER FLOWS UP THE SIDES OF THE TREE BY
ITSELF, UNDERNEATH THE BARK. THIS IS A PROCESS
CALLED "CAPILLARY ATTRACTION."

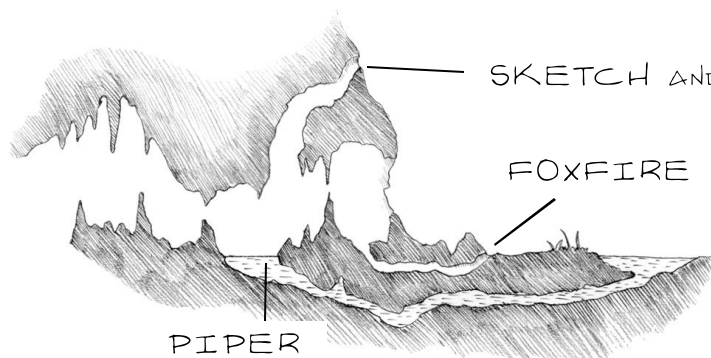

DID YOU KNOW
THERE ARE
BIRDS THAT
LIVE IN CAVES
LIKE BATS? ONE
KIND IS
CALLED AN
OILBIRD!

CRYSTAL CAVE

THIS CONTAINS ONE OF OUR SECRET
MEETING SPOTS - NOT MAX'S FAVORITE,
BUT AT LEAST IT'S WELL HIDDEN!

GUANO - THAT'S BAT POOP - SUP-
PORTS TINY PLANTS AND INSECTS.
IT'S BEEN USED AS A GREAT FER-
TILIZER, AND EVEN AS GUNPOW-
DER. IN THE CIVIL WAR, CAVES
FULL OF GUANO WERE GUARDED
BY SOLDIERS.

NO GUANO!

SKETCH AND BUD

FOXFIRE

PIPER

PEOPLE SHOULDN'T DIS-
TURB BATS. THAT'S WHY WE
USE OUR TOTEM POWERS TO
GET INTO CRYSTAL CAVE.
... BUT I STILL DON'T KNOW
HOW MAX GETS IN.

DINOTROPICS

THIS IS ONE OF THE MOST DANGEROUS PLACES IN TERRATOPIA! STUFF HERE SPANS THE TIME FROM BEFORE LIFE FIRST APPEARED ON EARTH, THROUGH THE TIMES OF THE GREAT DINOSAURS, TO THE DISAPPEARANCE OF THESE AWESOME CREATURES.

DEINONYCHUS (DIE-NON-I-KUS)

WATCH OUT FOR THIS ONE!
FAST MOVING MEAT-EATER. LEGS
GOOD FOR RUNNING AND
KICKING PREY.

"DEINONYCHUS"
MEANS "TERRIBLE CLAW" - OUCH!

TRICERATOPS TRACKS.

ON EARTH, SOME TRACKS
HAVE BEEN FOUND THAT
WERE OVER 4 FEET LONG!

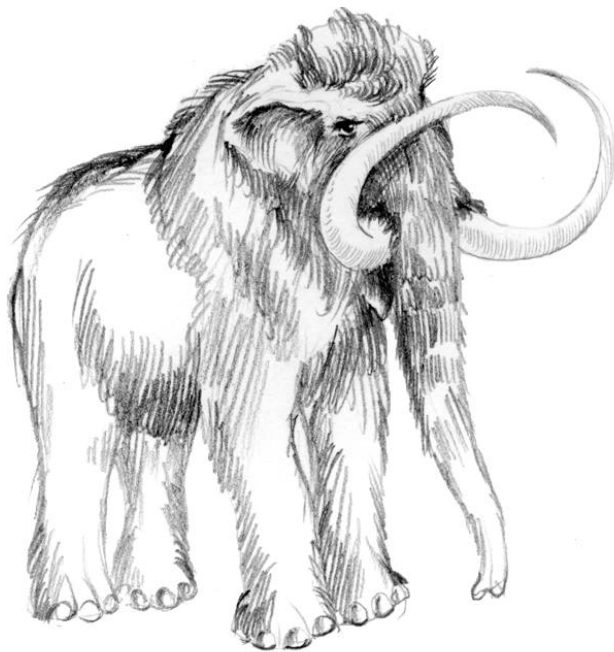

KINGDOM OF THE FROST GIANTS

THIS PART OF TERRATOPIA SEEMS LIKE IT'S ALWAYS IN AN ICE AGE. A HERD OF GIANT WOOLLY MAMMOTHS - THE FROST GIANTS - LIVE THERE ALONG WITH POLAR BEARS AND OTHERS.

THERE ARE PARTS OF THE YEAR UP HERE WHEN THE SUN NEVER SETS - IT'S ETERNAL DAY! TOO BAD IT'S NOT BEACH WEATHER!

WATCH OUT
FOR SABER
TOOTH!

MAMMOTHS ARE GIANT HERBIVORES - PLANT EATERS. THEY MAY HAVE BEEN HUNTED TO EXTINCTION BY EARLY MAN FOR FOOD AND TOOLS.

LAKE OF THE MOON

THIS IS THE BEST
SPOT TO SEE THE
THREE MOONS OF
TERRATOPIA

THIS LAKE IS A CRATER THAT WAS BLASTED INTO TERRATOPIA BY A METEORITE FROM SPACE.

IT'S NOT LIKE MOST CRATERS BECAUSE THE METEORITE THAT MADE IT CAN STILL BE SEEN IN THE MIDDLE. I COME UP HERE A LOT TO CHECK OUT THE CONSTELLATIONS IN THE NIGHT SKY. THERE'S ALWAYS SOMETHING NEW TO FIND IN THE NIGHT SKY IF YOU LOOK FOR IT.

SKETCHING BY MOONLIGHT'S EASY WHEN YOU'RE AT THE LAKE OF THE MOON - IT'S THREE TIMES BRIGHTER!

IN ARIZONA, THERE'S
A CRATER 4,000
FEET ACROSS.

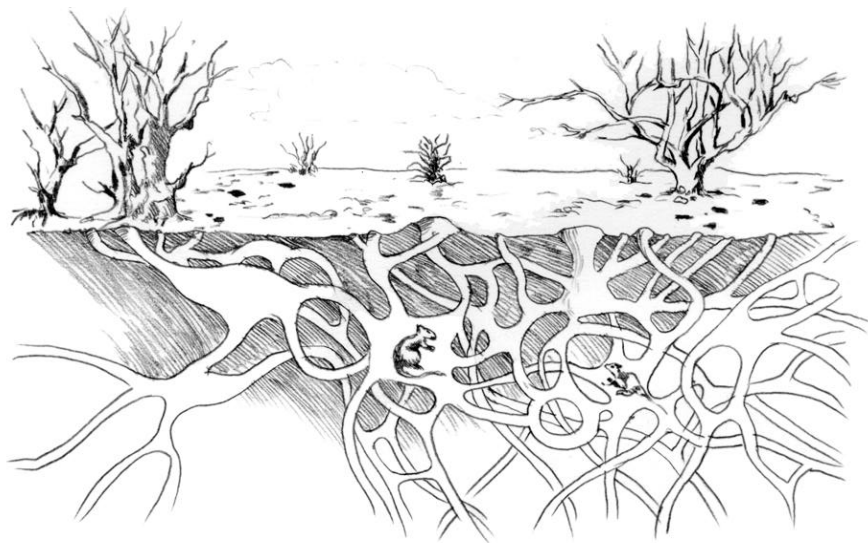

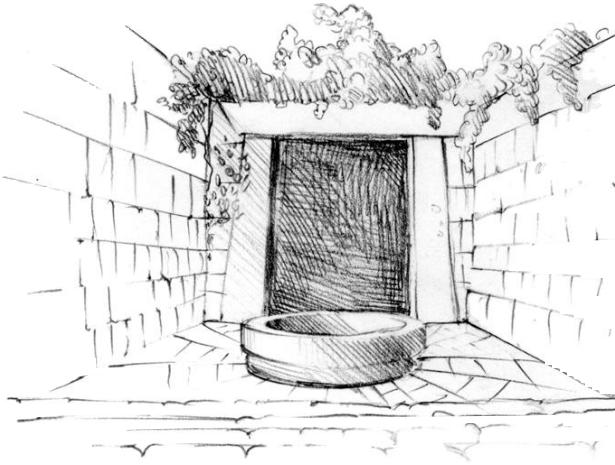

LAUGHING WATERS

THIS IS AN OASIS IN THE MIDDLE OF THE DESERT. IT'S A PLACE THAT'S GOT A LOT OF WATER AND IS WHERE MANY DESERT PLANTS AND ANIMALS CAN LIVE. I THINK IT GOT ITS NAME BECAUSE THE WATER KIND OF FORMS A SMILING FACE. BUD SAYS HE'S HEARD SOME WEIRD NOISES HERE - I THINK HE'S HEARING THINGS!

A LOT OF ANIMALS
LIVE UNDERGROUND -
SHELTERED FROM THE
HOT DESERT SUN!

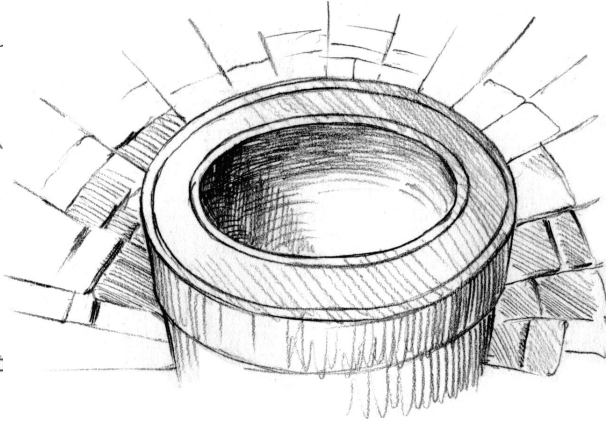

COOL!

THE MINOTAUR'S VELDT

THIS IS A GRASSLAND. IN THE MIDDLE OF THE VELDT IS A HUGE MAZE. THIS IS A GOOD PLACE TO FIND COOL STUFF - BUT WATCH OUT FOR THE MINOTAUR - HE'S PRETTY NASTY!

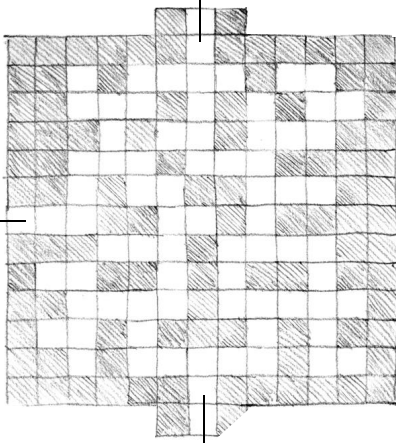

AT EACH END OF THE MAZE IS A LARGE STONE WHEEL.

I DON'T KNOW WHAT IT IS FOR - MAYBE GAMES?

NORTH ENTRANCE

DOOR TO
CHIEF
SEQUOIA

SOUTH ENTRANCE

LOOK FOR CLUES HERE!
I'VE FOUND SOME
INTERESTING LOOKING
TILES...

DEFINITELY ENTER AT
YOUR
OWN RISK...

RAINBOW GLEN

THERE ARE A LOT OF INTERESTING THINGS HIDDEN AROUND RAINBOW GLEN - LOOK CAREFULLY.

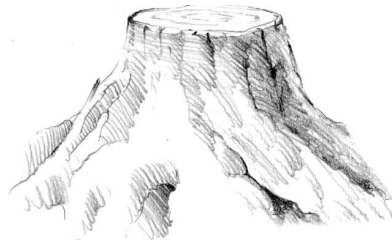

MAX REALLY LIKES TO HEAD UP HERE AND SNAP PHOTOS. CAN'T SAY I BLAME HIM - THE TREES REALLY DO CREATE A RAINBOW OF COLOR!

CHLOROPHYL MAKES LEAVES APPEAR GREEN. ON EARTH, TREES LOSE THEIR CHLOROPHYL IN THE FALL AND WE GET TO SEE

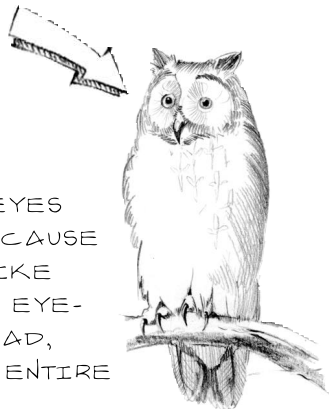

WHAT THEY REALLY LOOK LIKE.

TREES ARE USUALLY AT LEAST 25 YEARS OLD BEFORE THEY ARE CUT DOWN FOR PAPER. IF YOU RECYCLE YOUR FAMILY'S NEWSPAPERS FOR A YEAR, YOU CAN SAVE 4 TREES... THAT'S 100 YEARS OF TREE LIFE!

JUST ONE RYE PLANT CAN HAVE 387 MILES OF ROOTS IN ABOUT SIX CUBIC FEET OF DIRT!

OWLS ARE NOCTURNAL - THEY HUNT AT NIGHT - SO THEY HAVE LARGE EYES FOR EXCELLENT VISION. THEIR EYES CAN'T ROTATE BECAUSE THEY'RE MORE LIKE EYETUBES THAN EYEBALLS. SO INSTEAD, OWLS TURN THEIR ENTIRE HEADS TO SEE!

THERE ARE MESSAGES ALL OVER
THE ISLAND - BUT YOU'LL NEED
THIS TO DECODE THEM!

TERRAFONT TRANSLATION KEY

A	B	C	D	E	F

TALKING STONES

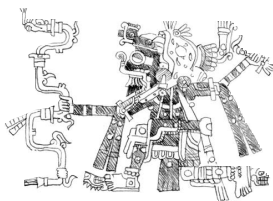

A REGULAR TERRATROOPER MEET-
ING SPOT - WE GO HERE A LOT TO
CHECK FOR NEW MESSAGES.
THE ROCKS ARE COVERED WITH
HEIROGLYPHS.

HEIROGLYPHS - ANCIENT ALPHABET

MTOKO

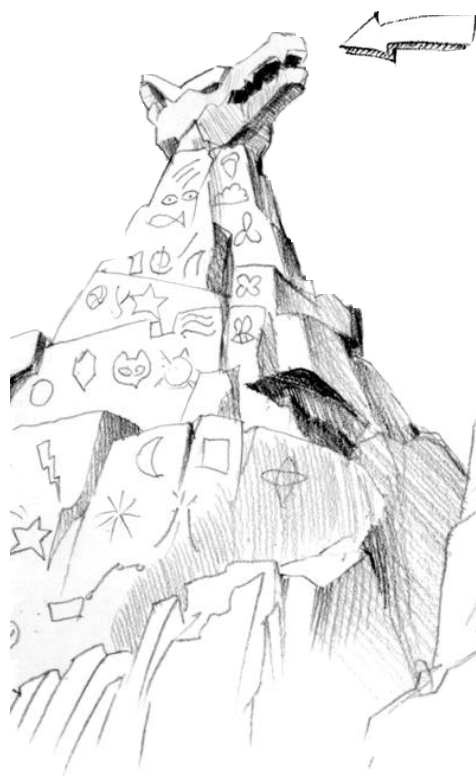

AZTEC

CHUMASH

PETROGLYPHS - ANCIENT DRAWINGS

TOTEM ROCK

A REALLY TALL TOWER OF ROCK THAT LOOKS LIKE THE HEAD OF A HOWLING WOLF. FROM THE TOP OF TOTEM ROCK YOU CAN GET A VIEW OF ALL TERRATOPIA! THIS IS WHERE THE ELDERS USUALLY APPEAR.

FILL THESE IN AND YOU'LL
FIND THE WAY UP

THE ONLY WAY TO TOTEM ROCK.
FIRST STEP'S A DOOZY UNLESS
YOU'RE SLY AS A FOX!

VULCAN'S VENT

VULCAN'S VENT IS AN ACTIVE VOLCANO IN THE MIDDLE OF A RAIN FOREST THAT IS FILLED WITH ANIMALS AND ALL KINDS OF JUNGLE PLANTS!

BAMBOO
CAN GROW
3 FT A DAY!

HOWLER
MONKEY-

SO LOUD HE
CAN BE
HEARD UP TO
10 MILES AWAY ON A
GOOD DAY!

CANOPY

UNDERSTORY

SHRUB

HERB

ONLY ABOUT ONE PERCENT OF THE SUNLIGHT THAT FALLS ON THE TOP OF THE RAIN FOREST MAKES IT DOWN TO THE GROUND. THAT MEANS IT'S DARK ALL THE TIME! ...MOST OF THE LIFE IS WHERE THE SUNLIGHT IS - AT THE TOP! SOME CREATURES SPEND THEIR ENTIRE LIVES NEVER TOUCHING THE GROUND! RAINFORESTS COVER 6% OF THE EARTH BUT ACCOUNT FOR 40% OF THE OXYGEN!

← 10 FT! →

KOMODO DRAGON-

THIS LIZARD DOESN'T HAVE
TEETH BUT A GIANT BEAK.
THAT'S SOMETHING TO CHEW ON!

TARSIER-
CAN JUMP UP
TO 6 FEET!

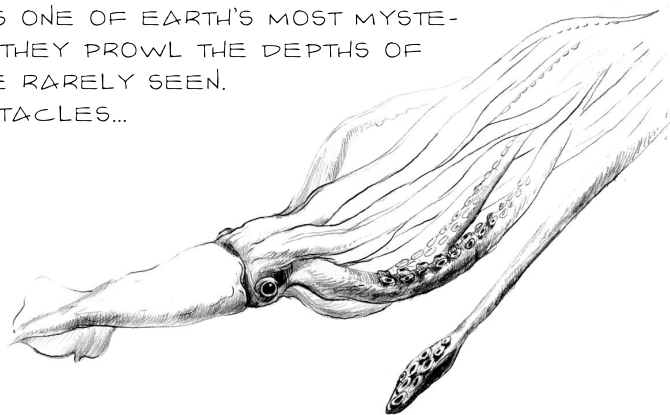

WALKING ICE ISLAND

THE COOLEST OF OUR REGULAR TERRATROOPER MEETING SPOTS - LITERALLY!

THIS IS A PLACE OF ICE AND FIRE: THE ICE IS A GIANT GLACIER AND THE FIRE IS FROM BUBBLING HOT MUD POTS, GEYSERS, HOT MINERAL POOLS, AND STEAM VENTS! WE OFTEN LEAVE MESSAGES FOR EACH OTHER CARVED IN THE ICE UP HERE.

THE GIANT SQUID IS ONE OF EARTH'S MOST MYSTERIOUS CREATURES. THEY PROWL THE DEPTHS OF THE OCEAN AND ARE RARELY SEEN. SQUIDS HAVE 10 TENTACLES...

SOMETIMES THE TENTACLES CAN BE 35 FEET IN LENGTH!

GEYSERS

WHEN WATER IS HEATED BY LAVA DEEP UNDERGROUND, IT SHOOTS UP THROUGH CHANNELS IN THE ROCKS.

SMALL CHANNELS CREATE A GEYSER - A BIG FOUNTAIN OF WATER AND STEAM. GEYSIR IS ICELANDIC FOR "SPOUTER"!

THE TALLEST GEYSER ON EARTH WAS HIGHER THAN THE EMPIRE STATE BUILDING!

HERE ARE THE OTHER TERRATROOPERS -

BUD TOTEM: MOUNTAIN LION

CODE NAME: FAST CAT

HERE'S BUD - HE'S FROM LOUISIANA.
BUD RIDES HIS BIKE ANYWHERE HE CAN.
ALL THAT EXERCISE MAKES HIM ONE FAST
DUDE, AND IT CUTS DOWN POLLUTION!

FOXFIRE TOTEM: FOX

CODE NAME: WILD SPIRIT

FOXFIRE LIVES IN TERRATOPIA ALL OF THE
TIME. HERE'S PART OF A POEM THAT SHE WROTE:

"TO FIND YOUR TOTEM SPIRIT,
LISTEN QUIETLY TO YOUR HEART
FOR THAT SPECIAL ANIMAL
OF WHICH YOU ARE A PART."

MAX TOTEM: SPIDER

CODE NAME: SPINNER

MAX IS FROM PHILADELPHIA. HE TOLD
ME THAT SO MANY ALUMINUM CANS ARE USED
IN THE U.S. EVERY YEAR, YOU COULD LINE THEM
UP TO THE MOON AND BACK 30 TIMES! DO
WHAT MAX DOES - RECYCLE!

PIPER

TOTEM: DOLPHIN

CODE NAME: WAVE DANCER

PIPER'S FROM SOUTHERN CALIFORNIA. SHE PRACTICALLY LIVES IN THE OCEAN. PIPER TOLD ME THAT A MILLION SEA BIRDS DIE EACH YEAR FROM GETTING TANGLED IN PLASTIC OR EATING IT. SHE GAVE ME A TIP - WHEN YOU FINISH A SIX PACK OF SODA, CUT UP THE PLASTIC RINGS SO THAT BIRDS AND ANIMALS WON'T GET CAUGHT!

SKETCH

TOTEM: EAGLE

CODE NAME: SKY RIDER

THIS IS ME! I'M FROM THE NORTHWEST. THERE'S A LOT OF TREES WHERE I COME FROM. I LIKE TREES - THEY'RE GREAT FOR PERCHING WHEN I'M AN EAGLE. AND REMEMBER, WHEN YOU CUT DOWN A TREE, YOU CUT DOWN ITS SHADE.
